

EXP NO 5: CREATE A SIMPLE CLOUD SOFTWARE APPLICATION FOR LIBRARY BOOK RESERVATION SYSTEM FOR SIMATS LIBRARY USING ANY CLOUD SERVICE PROVIDER TO DEMONSTRATE SAAS

DATE:

AIM:

To Create a simple cloud software application for Library book reservation system for SIMATS library using any Cloud Service Provider to demonstrate SaaS

PROCEDURE:

step1: Go to zoho.com.

step 2: Log into the zoho.com.

step 3: Select one application step.

step4: Enter application name as library book reservation system.

step 5: Created new application as library book reservation system.

step 6: Select one form

step 7: The software has been created.

IMPLEMENTATION:

INPUT:

The screenshot displays the Zoho Creator interface for a new application named 'library book reservation system'. The 'Basic Fields' panel on the left lists various field types: Name, Email, Address, Phone, Single Line, Multi Line, Number, Date, Time, and Drop Down. The main workspace shows a list of fields for the application: reservationID, Student Name, Register Number, Department, book title, author name, reservation date, and Status. The 'Status' field is currently selected. The 'Field Properties' panel on the right shows the configuration for the 'Status' field, including its name, link name, and a list of choices: reserved, Issued, and returned. The 'Advanced' options are also visible, including 'Renaming the choices will update the values in the existing records, if any.', 'Alphabetical Order', and 'Allow Other Choice'.

OUTPUT:

The screenshot displays a web application interface. On the left is a dark sidebar for the 'flight ticket reservation system' with a menu containing 'flight ticket', 'simats library book reservation application', and another 'simats library book reservation application' entry. The main content area is titled 'simats library book reservation application' and contains a form with the following fields:

reservationID	8989790
Student Name	tarunika
Register Number	192511024
Department	cse
book title	Hello India!
author name	sanjeeth
reservation date	19-Jun-2026
Status	issued

Below the form is a blue 'Submit' button.
